

ACKNOWLEDGEMENT OF RECEIPT DURING 11th CIRCUIT STAY

Petition to Repeal City of Atlanta Ordinance 21-O-0367

On September 1, 2023, the 11th Circuit Court of Appeals issued an order staying the district court's injunction regarding this petition. Because the injunction is currently not in place, the City is prohibited by law from accepting a petition for verification submitted after August 21, the original 60-day deadline. See O.C.G.A. § 36-35-3(b)(2)(C); City Code 66-37(b).

However, the City is willing to receive the petition into its secure custody during the pendency of the stay, subject to the express understanding that such receipt does not constitute "accept[ance] ... for verification," pending further rulings and guidance from the 11th Circuit. If, at some future point, the Court directs the City to proceed, the Municipal Clerk's office will begin the step-by-step verification process as outlined a few weeks ago. Until such time, the original petitions will be kept secure, and a digital copy will be created and provided to the petitioners and to respond to Open Records Act requests.

I, Mary Horne a representative of the Cop City Vote Coalition do hereby confirm delivery to the Municipal Clerk of the City of Atlanta, the signed Petitions to Repeal City of Atlanta Ordinance 21-O-0367, subject to the understanding set forth above.

I, A. Vanessa Waldon, Municipal Clerk of the City of Atlanta hereby confirm receipt of the signed Petitions to Repeal City of Atlanta Ordinance 21-O-0367.
